PROFILE

Passionate and motivated Computer Science Engineering student with strong interest in Software Development, AI/ML, Web Development, and Data Science. Skilled in programming, problem-solving, and developing practical projects using modern technologies. Looking for internship opportunities to apply technical knowledge, gain industry experience, and contribute to innovative development teams.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science Engineering

Government Engineering College Wayanad

2023 – Present

CGPA: **7.79**

Currently completed second year and preparing for third year coursework.

TECH STACK

Programming Languages

- C
- C++
- Python
- JavaScript

Web Technologies

- HTML
- CSS
- JavaScript

Computer Science Fundamentals

- Data Structures
- Operating Systems
- DBMS

Tools & Platforms

- Linux
 - GitHub
-

PROJECTS

Hotel Document Generator

Software Development Project

- Developed a system to automate hotel-related document generation.
- Improved efficiency and reduced manual formatting work.
- Applied programming logic and structured data handling concepts.

DBMS Management Project

Database Project

- Designed a database-driven project for efficient record management.
- Implemented DBMS concepts including data organization and retrieval.
- Strengthened understanding of backend logic and SQL fundamentals.

GitHub Development Projects

Personal & Academic Projects

- Built and maintained coding projects available on GitHub.
- Used GitHub for version control and collaborative development practices.

 GitHub Portfolio: <https://github.com/anjithrajt>

CERTIFICATIONS

- Completed multiple technical and programming-related certifications.
 - Participated in online technology learning programs and skill development courses.
-

AREAS OF INTEREST

- Artificial Intelligence & Machine Learning
 - Web Development
 - Software Development
 - Data Science
-

SOFT SKILLS

- Problem Solving
 - Quick Learner
 - Team Collaboration
 - Adaptability
 - Communication Skills
-

LANGUAGES

- English
- Malayalam
